Reflect on Your Priorities: ♦How do you intentionally act with compassion? ♦How can you say yes to strangers? ♦Does somebody near you, or on the edges of your life, need compassion: what is within your power to do? ♦Think about someone you may have judged harshly. If you look again with your eyes and your heart, what do you see?

Prayer: *Abba, help me stay deeply conscious of your compassionate love for people. Teach me to treat strangers no differently than family and to see all your children with compassionate eyes. Grant me the courage to do what is within my power to do. Amen.*
