

Sunday School Classes

Our 10am Sunday School Hour offers opportunities for growth and fellowship to children and adults of all ages and life stages. Below is a chart outlining the classes currently available on Sunday Mornings. In October 2018, we launched a church-wide read through the Bible Sunday School Series based on “The Grand Sweep,” by Asbury Theological Seminary faculty member, J. Elsworth Kalas. The program (including the book) is available to our entire church community and is written in a way that allows individuals to jump in at any time to study God’s word.
